Under 21 Teams

1. Run trials in accordance with WBC Representative Trial Procedures. Accessing this population of athletes has been most successful when trials have been held at the end of the current season, and again at the beginning of the University year the following year. This allowed students new to the area attending tertiary learning institutions to have access to this level of basketball and significantly improved the numbers available for this age group.
2. Design a plan to prepare the team for the National tournament.

All coaches will be asked to enter into a formal coaching agreement with WBC on acceptance of their position and be expected to take part in a formal evaluation process at the end of the agreement period.

All coaches have full access to the Sports Force Basketball Development Officer (Ph: 0274 757518) for advice before application, during the season and post season.
